

Solar Empowerment Project

Albergue Las Memorias

Getting Power To and Empowering those in need

Las Memorias is an 89 Bed Facility, that houses men, women, children, gay, straight, bi, and Transgender people in recovery and those Living with HIV/AIDS, located in Tijuana. Of those 89 beds, 75 beds serve those who are HIV+. The Mexican Government grants the facility 1.70 per person, per day. That equals \$605 a year per person when their average medication is \$3575 per person per year.

Las Memorias Is a 32,284 square foot building that, in the summer heat, can spend over \$2000 a month on electricity. By Placing solar Panels on the building they can use that money for Medications and Food!
